

**SUNDAY BLUE LAW
PLAN HITS THEATRE**

Provincetown Players in Court on Charge of Presenting Theatricals on the Sabbath.

The first court case in the crusade of the Lord's Day Alliance to take the sun out of Sunday came up before Magistrate Corrigan to-day. James Light and George Cram Cook, Directors of the Provincetown Players, were charged with violating the law in presenting theatricals on Sunday. Harry Kemp, Director of the Harry Kemp Theatre, also was summoned to appear. Kemp said he had never given a Sunday performance, and never intended to. He believed the summons was issued in the belief that he might, in the future, desire to give a Sunday performance.

BAIL ELECTION INSPECTORS.

Eight of Twelve Indicted Released in \$1,000 Each.

Eight election inspectors, who were indicted by the Grand Jury, charged with neglect of duty and in permitting false canvases of ballots were released on bail of \$1,000 each before Judge Mulqueen in General Sessions to-day. Four others, under indictment, are being sought by officers armed with bench warrants.

Six were members of the Board of the 12th Election District of the 4th Assembly. They are: Abraham Kremer, of No. 170 Orchard Street; Murray Kaskof, of No. 109 Suffolk Street; Joseph Isenstadt, of No. 38 Attorney Street; David Meisel, of No. 86 Ridge Street; Herman L. Derenger, of No. 75 Clinton Street; and Louis Weinstein, of No. 30 Attorney Street. The other two, Alexander Mandel, of No. 11 St. Mark's Place and John Poplitz, of No. 121 East Second Street, were members of the 8th Election District Board of the 8th Assembly District.

The indictments were due to finding of ballots in the gutter at Stanton and Forsythe Streets the day following the election on Nov. 2.

NAVY W. U. CASE UP TO COURT

Efforts to Settle Dispute Over the Miami Cable Fail.

WASHINGTON, Dec. 10.—Efforts of counsel for the Government and the Western Union Telegraph Company to settle out of court the injunction proceedings brought against Secretary Daniels to prohibit the Navy from interfering with cable work by the company at Miami, Fla., have failed. Justice Stafford of the District of Columbia Supreme Court was informed to-day.

The Court thereupon gave the company until next Wednesday to file briefs and allowed the Government until Dec. 20 to prepare replies.

SENTENCED FOR ROBBERY.

Youth Who Menaced Woman Gets Three Years and Nine Months.

Charles Greenberg, nineteen, of No. 254 West 91st Street, was today sentenced in General Sessions Court to three years and nine months in Sing Sing for robbing the fist of Mrs. 50th Kingsley, No. 505 West 187th Street, on Oct. 2. Greenberg and a companion stole two gold links, valued at 75 cents, from a wrist watch.

The two men were recognized on the street immediately after the robbery and Mrs. Kingsley and a crowd of boys chased them. Greenberg shifted a revolver at Mrs. Kingsley and she ducked into a doorway. Thomas Barrett, fifteen, of No. 362 West 184th Street, grappled with Greenberg, who fired at him and missed. Greenberg later was caught by a policeman.

SUGAR DOWN AGAIN.

Sugar Prices Also Drops From 2 to 5 Cents a Pound.

Sugar prices to-day touched a new low record for the present year. A

shipment of 7,500 bags of raw sugar was purchased at 4 cents per pound. This is equal to 3.91 cents per pound for Cuban sugar, duty paid, and represents a drop of one quarter cent per pound from the previous low quotation. It was announced to-day by the National Bluet Company and the Levee-Witke Bluet Company that they had reduced prices on different varieties of bulk goods from 2 to 5 cents per pound. Crackers in packages have not been affected as yet because of the higher cost of marketing and the cost of containers.

Say Crippld Holed In Burial.
Joseph Fowler, nineteen, of No. 19 Bayside Avenue, Brooklyn, an overseas veteran who lost a leg and the sight of one eye in France, was held without bail for the grand jury to-day by Magistrate Short in the Gates Avenue Court on a charge of burglary. The complaint was Mrs. Gertrude Gallagher, of 310 Kosciuszko Street, Brooklyn. It was alleged that Detective James Murphy found the man hiding in a closet in Mrs. Gallagher's home after Mrs. Gallagher had screamed.

Why?

Many persons wonder why they have to pay 40 or 50 cents, or more, for the beef they buy when live cattle are only 10 or 15 cents a pound.

In the first place, we average only about 1/2 pound of meat from the pound of steer for which we pay 10 or 15 cents. Only part of the other half consists of such by-products as hides, oleo oil, tallow, etc.—the remainder is waste. And the return from by-products just now is very small. Hides and fats as well as many other items are down to pre-war prices.

In the second place, there are not many pounds of the kind of meat for which you pay 40 or 50 cents, or more, in the entire animal. Sometimes the retailer has to sell a lot of the meat he buys for about what he pays for it, because you and your neighbors pass by certain cuts and insist upon the other choicer cuts, such as steaks, etc.

Necessarily, he must get enough for these choicer cuts to make up for what he loses on the less popular ones, such as soup meat, etc.

The difference between the final retail price of the finished meat product and the first cost of the live steer is less than it is for most farm products.

If the foregoing raises any question in the mind of the reader, we will endeavor to answer it, upon request.
